

SANKALP DANGWAL

DATA SCIENCE STUDENT

 Male

 +61 0451453683

 sankalp.dangwal@gmail.com

 128 Leicester Street Carlton,
Victoria, Melbourne, Australia

SKILLS

● Language

Python, Selenium

● Database

SQL, SQL Lite

● OS

Windows, Linux

● Tools

Katalon, Selenium, GIT, Bitbucket, JIRA,
Jenkins, pycharm, Vs Code

● Framework

Katalon Integrated Framework, Testng,
cucumber

HONORS & AWARDS

2019: Accenture Tech Star

2021: Accenture Excellence Awards (Ace)

EDUCATION

● RMIT

Masters of Data Science

2023 - Now

● Devi Ahilya Vishwavidhyalaya(DAVV)

Masters of Computer
Applications(M.C.A)

2012 - 2014

● Devi Ahilya Vishwavidhyalaya(DAVV)

Bachelors of Computer
Applications(M.C.A)

2009 - 2012

WORK EXPERIENCE

● Accenture

Team Lead

2020 - Now

- Responsible for data cleaning, analysis, and visualization while streamlining data sources for financial models.
- Responsible for developing python web application using flask framework and create API for backends.
- Developing and deploying windows/web applications for model end users to interact with the model.
